What's up with TFT?

- 2015 as the year of TFT Global -

5) A World Food Day event was organized in San Francisco, under the theme "Build a Healthier World with 25 cents!" 6) TFT members also threw an event on World Food Day at George Mason University, serving healthy orzo salad and mixed fruits, educating people about TFT's mission and impact, and receiving donations. 7,8) The President of TFT USA visited a recipient school in the U.S., and received a warm thank-you letter from the students there.

Established in 2007, TFT has just declared 2015 as the year of "TFT Global." Currently there are 14 countries around the world implementing the TFT program, organizing events and raising awareness through various activities. Led by the Global team based in Tokyo, TFT will scale up its activities and impact through working closely with each chapter. Any creative and innovative ideas are more than welcome!
